About Devdaha Medical College and Research Institute

Welcome to **Devdaha Medical College and Research Institute, situated at Devdaha - 9, Bhaluhi- Rupandehi, Nepal.**

Founded in 2005, it is serving as a referral center with a 300 bedded well-equipped hospital with a newer technical support system. DMCRI is committed to provide quality service and medical care to every citizen. We provide a friendly environment to patients. We at DMCRI strive hard to provide high quality tertiary services to our clients.

Devdaha Medical College & Research Institute laid down its academic foundation by starting certificate level of Nursing program under CTEVT, and then after a year extended MBBS Program under Kathmandu University was initiated. In the year 2074 saw addition of HA Program under CTEVT. Devdaha Medical College and Research Institute (Pvt.) Ltd. aims to produce quality medical professionals they can compete in the context of national and international level. Institution has been determined and dedicated to take any sort of challenges to provide quality medical education and health services.

Why Devdaha Medical College and Research Institute

DMCRI has committed to bringing out the best of its medical education, nursing education, paramedical education, and unparalleled health services through its hospital, within a very affordable price-range.

Our goal is to provide affordable health services to the needy people (low economic level) and quality education to the medical students. We have got an experience by operating Lumbini Medical College that affordable health services and quality education is the important factors to operate teaching hospital. Besides this we are planning to establish corporate hospital at Kalikanagar, Butwal Sub Metropolitan City as a subsidiary of Devdaha Medical College; for those people who want to take advance healthcare facilities.
