About University

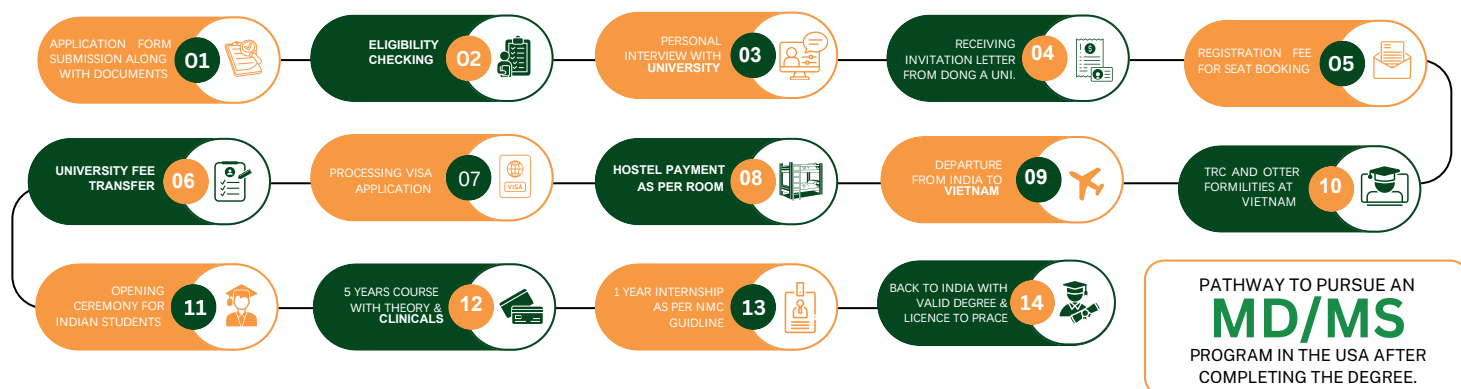

Nestled in the heart of Da Nang, Vietnam-a city renowned for its stunning landscapes and vibrant culture-Dong A University stands as a beacon of academic excellence and innovation. Established as a private, multidisciplinary institution by Decision No. 644/QĐ-TTg on May 21, 2009, under the directive of Vietnam's Prime Minister, the university has rapidly risen to prominence. Its sprawling 18,600-square-meter campus, located at 33 Xo Viet Nghe Tinh, is a masterpiece of modern architecture, featuring a breathtaking landscape and state-of-the-art facilities. With a 10-story infrastructure housing 140 functional departments-including 10 cutting-edge Information Technology Laboratories, 15 advanced Foreign Language Laboratories, 24 Professional Skills Laboratories, an Electronic Library, a dynamic Student Hall, and 7 expansive Lecture Halls-Dong A University is designed to inspire and empower its students.

with seasonal
variations.

About The City- Da Nang

Da Nang is famous for its stunning coastline, particularly My Khe Beach, which is often ranked among the most beautiful beaches in the world. Known as the "City of Bridges," it features the famous Dragon Bridge, which breathes actual fire and water every weekend night. The city is home to the Marble Mountains, a cluster of five limestone hills with ancient pagodas and hidden caves that offer breathtaking views. Located in the nearby Ba Na Hills, the world-famous Golden Bridge (held by two giant stone hands) is a major architectural and tourist landmark.
